

TRIADE INVESTMENT – Funding for Innovation

Startups stimulate the region's innovativeness, future employment and economic activity.

As a foundation that originates from the UMCG, Triade offers a strong network and several types of funding to help startups move forward, from an early to a seed capital stage, focusing on technologies that advance health and healthcare.

With its unique proposition, Triade has realized over 50 investments over the last 10+ years.

“We can spot potential in the youngest ideas and are able to invest when others can't.”

Triade is part of the following funds:

- Proof of Concept Fund
- Blue Sparrows
- Carduso Capital
- NextGen Ventures
- Pharma Connect Capital
